

Henny Brushes Her Teeth

A social story for Kairav — Making toothbrushing feel safer and more manageable with breaks and communication

1

It is time to brush my teeth.
I see my toothbrush.

2

Sometimes my mouth feels
sensitive. That is okay to
feel.

3

I can ask for help on my
Avaz. I can use the soft
brush.

4

Mummy counts to three. I
brush my top teeth gently.

5

I spit the water out. My
teeth are clean and
smooth. All done!
