

Going to Sabzi Market

A social story for Kairav — visiting the busy vegetable market with Mama

1

Today I go to sabzi market with Mama. Gigi comes too.

2

The market is loud. Many people talk at once. I hold Mama's hand tight.

3

I help pick fruit. Two apples and two mangoes. Good choices.

4

Mama pays the uncle. Our fruit goes in the bag.

5

We are home now. Fresh fruit on our table. Market trip is all done.
