

If I Get Lost

A social story for Kairav — What to do if I can't find Mama in a crowd

1

Sometimes I am in a crowd with Henny. People move fast around us.

2

If I cannot see Mama, I stop walking. Henny stops too.

3

I can find a safe helper in uniform. Bruno helps me be brave.

4

I show my card to the helper. My card has Mama's phone number.

5

I wait with my animal friends. Mama comes to find me. I am safe.
