

My Blood Test Helper

A social story for Kairav — Getting a small blood test at the lab with helpers

1

The doctor wants to check my blood. Bruno and Henny are here with me.

2

The lab aunty puts a soft band on my arm. She will squeeze it gently.

3

I watch Peppa Pig on my tablet. I stay very still. My blood goes in a tube.

4

The aunty puts soft cotton and tape on my arm. I am doing good work.

5

My blood test is finished! I did hard work today. Bruno and Henny are proud of me.
