

# My Cousin's Shaadi Day

A social story for Kairav — preparing for a wedding celebration with many people, lights, and loud music

1

Today is my cousin's wedding day. I wear my comfortable kurta.

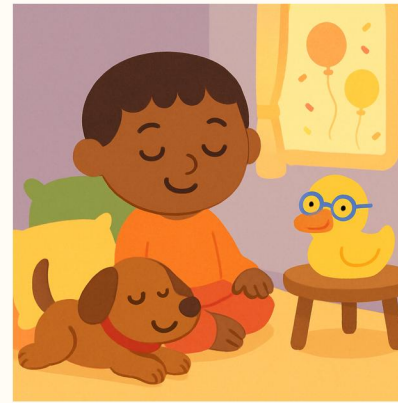

2

The wedding has many lights and people. The dhol music is loud.

3

I can greet my relatives with namaste. Quacky shows me how.

4

When I feel overwhelmed, I can go to a quiet room. Bruno comes with me.

5

I eat my favorite food from a small plate. Soon I go home feeling good.
