

My New Home

A social story for Kairav — Moving to a new house and feeling safe with family

1

We are moving to a new home. I see many boxes everywhere.

2

The boxes make me feel worried. That is okay to feel.

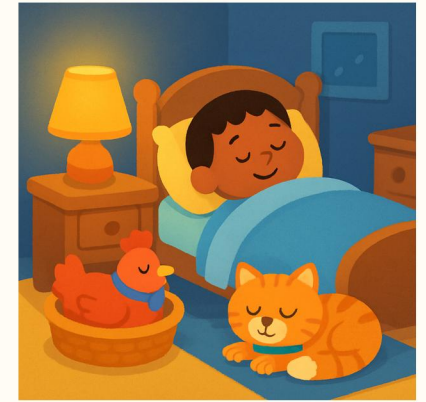

3

My toys come with me. My bed comes with me too.

4

Same family. Same toys. New walls. I am safe here.

5

First night in my new home. Everything feels okay. I am safe with my family.
