

The Food Is Coming

A social story for Kairav — waiting for food when hungry without getting upset

1

My tummy feels empty. I am hungry.

2

The food is being made. It is not ready yet.

3

I can tap 'wait' on my Avaz. Mummy says 'soon'.

4

I can drink some water. I can watch a short video.

5

Ding! The food is here. I can eat slowly. My tummy feels happy.
