

# Meeting Baby Cousin

A social story for Kairav — Learning how to interact gently and safely with a new baby

1

Aunty has a new baby cousin. The baby is very small.

2

Babies are soft and small. I can look at the baby.

3

Henny uses a quiet voice near the baby. I can be quiet too.

4

I can touch the baby's hand with one gentle finger. That feels nice.

5

I was gentle and careful with baby cousin. The baby is safe and happy.
