

My Avaz Is Low

A social story for Kairav — What to do when my AAC device battery is low and needs charging

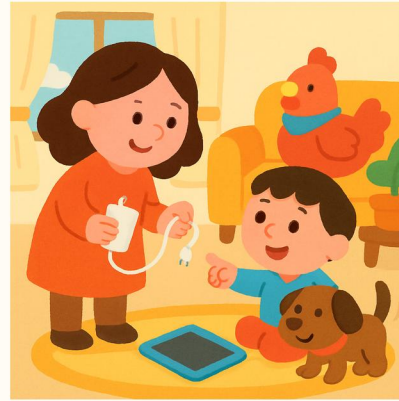

1

My Avaz shows red battery. Henny sees it too.

2

My Avaz will turn off soon. I feel worried about this.

3

I can show Mama my tablet. She has a charger in her bag.

4

Mama plugs in my Avaz. While it charges, I can use paper cards.

5

My Avaz is charged now. I always have backup ways to talk.
