

My Friend Comes Over

A social story for Kairav — preparing for and enjoying a friend's visit

1

My friend Ravi is coming to play today. I am excited to see him.

2

I pick two toys to share with Ravi. Sharing makes playing more fun.

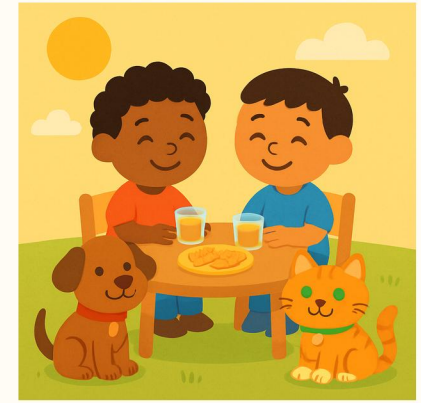

3

Ravi arrives at my house. I say hello to my friend.

4

We play together for one hour. Playing with a friend feels good.

5

We have a snack together. Then Ravi says bye and goes home. I can see him again next time.
