

My Home Talk

A social story for Kairav — Using Avaz AAC to communicate at home every day

1

At home, my Avaz is always near me. I can use it to talk.

2

I want juice. I tap the words on my Avaz.

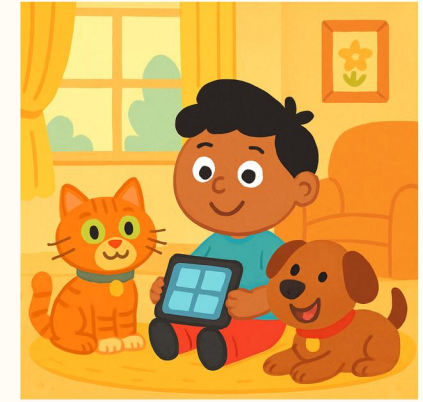

3

Mama hears my Avaz. She brings me juice.

4

Later I need the bathroom. I use my Avaz to say bathroom.

5

My Avaz makes home talk easy. I can tell everyone what I want and need.
