

Shake Drop Cover Hold

A social story for Kairav — earthquake drill practice at school

1

Today is earthquake practice at school. The teacher tells us about the drill.

2

Sometimes the ground can shake. I feel it move under me.

3

When it shakes, I drop down fast. I cover my head with my hands.

4

I hold the table leg tight. I stay very still until teacher says okay.

5

The practice is over. I am safe and proud. The drill helps keep everyone safe.
