

This Is My Talker

A social story for Kairav — Introducing and explaining AAC device to new people

1

Gigi brings her cousin Bruno to meet me. I have my talker with me.

2

This is my talker. It helps me talk to friends.

3

I tap the buttons to make words. My talker speaks for me.

4

Bruno is curious about my talker. He wants to listen.

5

Bruno waits for me to use my talker. Now we can be good friends.
