

When I Feel Cold

A social story for Kairav — Recognizing cold sensations and knowing how to get warm

1

My body feels cold. My skin has little bumps.

2

When my body shivers, that means I am cold.

3

I can tell someone. I tap 'cold' on my Avaz.

4

Someone helps me put on my warm sweater. I can have a warm drink.

5

Now my body feels warm and comfortable. I feel better.
