

When People Laugh at Me

A social story for Kairav — What to do when other kids laugh at me in an unkind way

1

Some kids laugh at me.
They are being mean.

2

Inside my body feels small
and hurt. That is okay to
feel.

3

I can walk away from mean
kids. Bruno walks with me.

4

I tell my teacher what
happened. She listens and
helps me feel safe.

5

My real friends like Bruno
and Henny are kind to me. I
feel okay now.
