

# When The Alarm Rings

A social story for Kairav — helping with fire alarm sounds and emergency procedures

1

The alarm rings. It is very loud.

2

Loud sounds make me feel overwhelmed. I can cover my ears.

3

When the alarm rings, I walk with a grown-up. We leave the building together.

4

We use the stairs. We walk slowly and stay together.

5

Outside is safe. The loud sound stops. I am with my family.
