

# Doggo Watches Cricket

A social story for Kairav — Going to watch a cricket match calmly and enjoying the experience

1

My bhaiya is playing cricket today. Bruno and I sit under the tree to watch.

2

We sit on our blanket. Henny brings water. I feel good watching the game.

3

The bat hits the ball. Thwack! I can hear the sound. Bruno listens too.

4

Bhaiya runs fast! I clap my hands. Bruno wags his tail. We cheer together.

5

One hour is done. We go home for snack time. I had fun watching cricket.
