

Ducky Shares What He Sees

A social story for Kairav — Using AAC to share observations and feelings, not just requests

1

I see a big rainbow in the sky. It is very pretty.

2

Quacky points at the rainbow. He wants to tell us something.

3

I tap on my Avaz. I can share what I see too.

4

Mama listens to my words. She says wow, same wow.

5

We look at the pretty rainbow together. My Avaz helps me share what I see.
