

Henny's Janmashtami Night

A social story for Kairav — celebrating Janmashtami with family rituals while maintaining bedtime routine

1

Today is Janmashtami. It is Krishna's birthday. We light a diya at 8 pm.

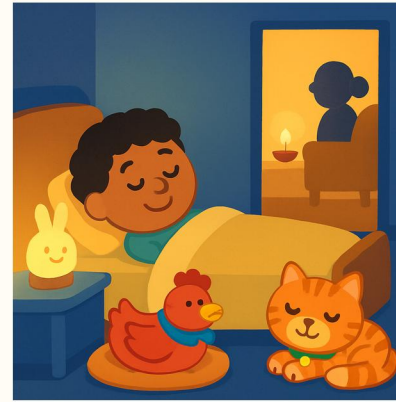

2

Henny joins me for bhajan time. We sit together for ten minutes. The music feels nice.

3

After bhajan, Henny goes to her bed. She says goodnight. It is quiet time now.

4

I go to my bed too. Mama stays up a little longer. Tomorrow will be special.

5

Good morning! I wake up happy. We have sweet prasad for breakfast. I love Janmashtami.
