

If I Get Lost

A social story for Kairav — what to do if I cannot see Mama or Papa in a crowded place

1

Sometimes at a big mela, I cannot see Mama. I might feel lost.

2

When I cannot see Mama, I stop walking. I stand still like Henny.

3

I can show my wrist card to a safe uncle or aunty. It has Mama's phone number.

4

The safe uncle calls Mama on his phone. I wait with Henny and Bruno.

5

Mama finds me! I am safe. We have a big hug. I did the right thing.
