

# Kairav and the Horns

A social story for Kairav — Managing sudden traffic horn sounds while walking safely on Indian roads

1

I walk on busy roads in India. Many cars and autos make horn sounds.

2

Sometimes the horn sounds are very loud. It makes me feel surprised.

3

I can hold Mama's hand tight. I stop walking and stay safe.

4

The horn sound is loud but it passes by. I stay on the safe side.

5

The horn stops. I feel okay now. I can keep walking safely.
