

Kairav Goes to the Mandi

A social story for Kairav — visiting the busy vegetable market with Papa

1

Today I go to the mandi with Papa. The market has many vegetables.

2

The mandi is loud and has strong smells. That makes me feel overwhelmed.

3

I can hold Papa's hand tight. Ear defenders help with loud sounds.

4

I can pick two vegetables to buy. I choose green bhindi and red tomatoes.

5

We buy the vegetables and go home. Papa makes me fresh mango juice.
