

My First Bus Ride

A social story for Kairav — Taking the school bus for the first time and feeling safe

1

Tomorrow I take the school bus. I wear my same uniform and carry my same bag.

2

I sit in the third row by the window. The bus feels safe and quiet.

3

The bus aunty knows my name. She says hello to me every day.

4

The bus stops at my school gate. My teacher is there to meet me.

5

The evening bus brings me home. Mama is waiting for me at the door.
