

My Happy Rakhi Day

A social story for Kairav — Learning about Rakhi celebration and having a thread tied on my wrist

1

Today is Rakhi day. My didi has a special thread called rakhi.

2

Didi ties the rakhi on my wrist. It feels like a gentle tickle.

3

The rakhi sits on my wrist. It feels different but okay.

4

Didi gives me sweet treats. I can try one if I want.

5

I give didi a hug. Rakhi means brother and sister love.
