

Papa at the Hospital

A social story for Kairav — helping when Papa goes to hospital for a short planned procedure

1

Papa is going to the hospital for two sleeps. The doctor will help Papa feel better.

2

I feel worried about Papa. That is okay to feel worried.

3

I can tell Mama how I feel. I can use my Avaz to say hospital and Papa.

4

We have a video call with Papa. Papa waves and smiles at me from the hospital.

5

Papa comes home on Sunday. I give Papa a big hug. We are all together again.
