

Someone Is Looking

A social story for Kairav — When people look at me or my AAC device, I can show them how I talk

1

I am at the park with my Avaz. A boy is looking at me.

2

He looks at my Avaz. My Avaz is how I talk.

3

Mummy smiles and tells the boy about my Avaz. She says I talk with my Avaz.

4

I tap hi on my Avaz. The boy waves at me.

5

We watch the swings go high. Looking becomes playing together.
