

# Water Safety with Friends

A social story for Kairav — Learning water safety rules to stay safe while having fun in water

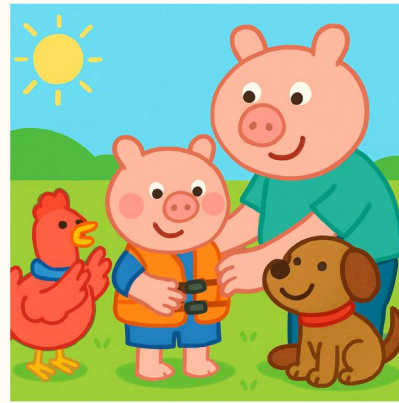

1

I love playing in water.  
Water is fun and feels good.

2

Water can be deep. I  
always swim with a  
grown-up nearby.

3

I put on my float vest. My  
float vest keeps me safe in  
water.

4

I stay where water is not  
deep. If I need help, I call  
for grown-up.

5

I follow water rules. Now I  
have fun and stay safe in  
water.
